# Our Vision

To become a nationally recognized institute by providing an affordable, high-quality research and sustainable learning environment while propelling the country's economy forward through professionals.

# Our MISSION

Gujrat Institute of Management Sciences aims to inspire, prepare and empower students by providing advanced educational experience to foster critical thinking and promote modern technology for transforming individuals into competent professionals with compassionate minds and moral values

# Chairman's Commitment to Diversity and Inclusion

## Dr. Aamir Nabi Rana

**Director General**

**Gujrat Institute of Management Sciences**

---

The mission of GIMS is to “inspire, prepare, and empower students to succeed in a changing world.” Our shared vision is to be recognized as “a national leader in transforming lives through an innovative, rigorous, and compassionate approach to education.” It is my great privilege to work and learn alongside you each day as we strive to fulfill this mission and to live into this vision.

We are a tremendously rich and diverse community, composed of individuals from widely varied backgrounds, experiences, and gifts. Our ability to fulfill our mission and to live into our vision rests on our creating an environment that is welcoming and accepting of differences, and in which every person's contribution and perspective is heard and valued. While we do not all share the same beliefs, experiences, and perspectives, I believe that we can honor, respect, and seek to understand one another. In fact, I expect that we as a community will do so. Our goal should not be to homogenize our community, but rather to foster deeper understanding, to build bonds, and to increase our effectiveness in working across cultures and beliefs. And we must do so within a context of trust and graciousness; not one of blame and shaming. Each of us plays an important role in creating and maintaining this environment.

As Chairman, I believe it is important for you to know that I recognize, support, and value the perspectives, experiences, and contributions of people of all Origins and Ages.

I am committed to working with you to create, maintain, and enhance an environment conducive to the learning and growth of all students, faculty and staff. I continue to actively discuss this with my administration and leaders from across the campus, and urge each of them to reflect upon how their communications and actions demonstrate their commitment to this work and impact our environment. As an educational institution we have a unique opportunity to create and nurture an environment that encourages and embraces a wide breadth of ideas and beliefs. This work belongs to us all—it is a shared responsibility. While Institute leaders must set the tone and model their commitment to this work, each of us impacts our environment through our daily interactions with our students and one another.

Please join me in working together in an open, honest, and trusting manner to build the GIMS environment where all students, faculty, and staff are valued and can thrive.

“Quality is never an accident. It is always the result of intelligent effort.”

A top-down view of a business meeting table. Several people's hands are visible, interacting with various documents and devices. On the left, a hand holds a smartphone. In the center, a hand points at a pie chart on a document. To the right, a hand holds a spiral-bound notebook with a grid. Another hand is near a magnifying glass. The table is covered with various business-related items: a bar chart with multiple colored bars, a line graph, a flowchart with boxes labeled 'Gym Membership', 'Adult', 'Elite', 'Standard', 'Retail Membership', and 'Corporate Membership', a ruler, a calculator, and several other documents with charts and text. The overall scene suggests a collaborative business or academic discussion.

# FOOD SCIENCE

PROSPECTUS | 2024-2025

# BSc. (Hon) Food Science & Technology

A minimum of 8th Semester duration program after Intermediate or equivalent.

## Admission eligibility:

- A person (male/female) holding Intermediate Certificate Fsc. Pre Medical or equivalent certificate from any recognised Institute with at least 50% Marks shall be eligible for admission to BSc. (Hon) FST Program.
- Admission will be on open merit basis; based on marks obtained in last degree.
- Age: A Candidate must not be more than 23 Years of age on 1st October of the year of admission, provided that the Vice Chancellor may relax age limit in very exceptional cases.

## Academic standing:

- 1 Grade point Average:
  - a. Maximum grade point average 4.00
  - b. Minimum grade point average for obtaining the degree 2.50

To remain on the roll of the University, a student shall be required to maintain the following minimum CGPA otherwise he/she shall be ceased on the University roll.

- 2 A student who maintains the minimum GPA/CGPA for promotion and meets the requirements will be promoted to the next semester.
- 3 A student who does not meet the above requirements may repeat the whole semester once only. The course grades that a student earns in the repeated semester shall replace the previously earned course grades.
- 4 During the specified minimum duration for completing the degree, a student may repeat those courses of the previous semesters in which he/she had secured the grade "F", provided the course load does not exceed the maximum limit of credit hours in a semester. Repetition of lowest grades will only be allowed in Summer Session

A minimum of 8th Semester duration program after Intermediate or equivalent.

## Admission eligibility:

- A person (male/female) holding Intermediate Certificate Fsc. Pre Medical or equivalent certificate from any recognised Institute with at least 50% Marks shall be eligible for admission to BS Microbiology Programme.
- Admission will be on open merit basis; based on marks obtained in last degree.
- Age: A Candidate must not be more than 23 Years of age on 1st October of the year of admission, provided that the Vice Chancellor may relax age limit in very exceptional cases.

## Academic standing:

- 1 Grade point Average:
  - a. Maximum grade point average 4.00
  - b. Minimum grade point average for obtaining the degree 2.50

To remain on the roll of the University, a student shall be required to maintain the following minimum CGPA otherwise he/she shall be ceased on the University roll.

- 2 A student who maintains the minimum GPA/CGPA for promotion and meets the requirements will be promoted to the next semester.
- 3 A student who does not meet the above requirements may repeat the whole semester once only. The course grades that a student earns in the repeated semester shall replace the previously earned course grades.
- 4 During the specified minimum duration for completing the degree, a student may repeat those courses of the previous semesters in which he/she had secured the grade "F", provided the course load does not exceed the maximum limit of credit hours in a semester. Repetition of lowest grades will only be allowed in Summer Session

# BS Mathematics

A minimum of 8th Semester duration program after Intermediate or equivalent.

## Admission eligibility:

- A person (male/female) holding Intermediate in relevant subject or equivalent certificate from any recognised Institute with at least 50% Marks shall be eligible for admission to BS Mathematics Programme.
- Admission will be on open merit basis based on marks obtained in last degree.
- Age: A Candidate must not be more than 23 Years of age on 1st October of the year of admission, provided that the Vice Chancellor may relax age limit in very exceptional cases.

## Academic standing:

- 1 Grade point Average:
  - a. Maximum grade point average 4.00
  - b. Minimum grade point average for obtaining the degree 2.50

To remain on the roll of the University, a student shall be required to maintain the following minimum CGPA otherwise he/she shall be ceased on the University roll.

- 2 A student who maintains the minimum GPA/CGPA for promotion and meets the requirements will be promoted to the next semester.
- 3 A student who does not meet the above requirements may repeat the whole semester once only. The course grades that a student earns in the repeated semester shall replace the previously earned course grades.
- 4 During the specified minimum duration for completing the degree, a student may repeat those courses of the previous semesters in which he/she had secured the grade "F", provided the course load does not exceed the maximum limit of credit hours in a semester. Repetition of lowest grades will only be allowed in Summer Session

## Procedure for Admission:

- a) The name of category in which a candidate seeks admission must be clearly indicated in the form or apply online through University Portal.
- b) Every student admitted to the university shall be required to sign an undertaking on judicial stamp paper of the value of RS 50/- duly countersigned by parent and Oath Commissioner assuring that he /she will abide by the rules and regulations of the university and such other orders/instructions as may be issued by the administration from time to time.
- c) The list of selected candidates will be displayed on the Notice Board according to the schedule notified. No separate individual intimation shall be sent.
- d) The selected candidates have to pay the fees and complete all formalities of admission and enrollment within the dates notified. If a selected candidates fail to enroll by the fixed time, his admission shall stand canceled and seat will be offered to the next candidate on the waiting list.

## Selection Criteria:

- (a) Applicants who fulfill all the requirements for admission and demonstrate the strongest academic preparation as measured by comprehensive merit will be selected for admission. They must be domiciled in the Barani areas of Punjab, except for admission on reserved provincial seats and in the programs under higher fee structure. Disciplinary suspension or dismissal from a previous educational institute will lead to rejection of admission. The students are not to allowed to enroll different programs simultaneously.
- (b) The Candidates who have been imposed a Major Penalty are not allowed to get admission for further studies.

# EXAMINATION AND EVALUATION

## EVALUATION

(i) The minimum pass marks for each course shall be 40% for under graduate and master degree pgd CS and pgd IT and 50% for PHD in theory and practical separately

The marks grade required to pass a deficiency course shall be the same as the regulation relating to the examination courses concerned

(ii) Grade points will be as follows:

Marks Obtained	Grade	Grade Point	Remarks
80-100%	A	4	Excellent
65-79%	B	3	Good
50-64%	C	2	Satisfactory
40-49%	D	1	Pass
Below	F	0	Fail

(ii) The grades will be worked on the basis of percentage Of marks obtained by a student in each course separately according to conversion table quality points table And not on the percentage to total marks obtained by a student 1 credit hour shall carry 20 marks

## Calculation of GPA CGPA

(i) GPA CGPA will be calculated at the end of each semester in accordance to the following formula

GPA CGPA sum of quality points some of the credit hours

(ii) The quality points table given on the next page will be used for calculating the GPA CGPA

# EXAMINATION AND EVALUATION

## 3. EXAMINATION & WEIGHTAGE

### (a) Theory

In theory paper, student's evaluation shall be done by mid-term examination, assignment / quizzes / term paper & final examination. Both the mid-term & final examinations shall be compulsory; a student who misses the mid term examination, he shall not be allowed a make-up examination & shall be awarded zero marks in that examination, however, he may appear in the final examination. In case a student does not appear in the final examination of a course, he shall be deemed to have failed in that course.

In theory, weight-age to each component of examination shall be as prescribed here under:

(i) B. Sc (Hons.) Agriculture/BS Agriculture Engineering/BS Economics/BS(Geo-Informatics)/BS Biochemistry/BS Forestry/BS Human Nutrition & Dietetics/DVM / B. Ed / M. Sc (Hons.) Agriculture/ M.Sc (Hons.) Poultry Science/M.Phil/MS RS & GIS/M.Sc/M. Ed/ Ph. D Agriculture & Biological Sciences, Economics, Education, Forestry & Range Management, Wildlife Management and Environmental Sciences.

Mid Examination	30%
Assignments	10%
Final Examination	60%

(ii) Programmes of Study in UIMS, UIIT, BIIT, BIMS, AIMS, BIS, GIMS, BI-KAT

Mid Examination	30%
Assignments	20%
Final Examination	50%

### (b) Practical

For practical examination (if applicable) 100% weightage will be towards final examination.

### (c) Mid Term

A mid-term examination for minimum of one-hour duration will be held during 8-10th weeks of the semester. The results of the examination shall be submitted to the Controller of Examinations by the 12th week. However, Chairman/Incharge of the concerned department will be responsible for timely submission of Mid and Final Examination results.

### (d) Quizzes / Assignments

Quizzes, special home assignments &/or term papers shall be given from time to time which shall be uniformly split over the whole semester.

# EXAMINATION AND EVALUATION

## 4. Eligibility for Examination

A student shall be eligible to sit for the examination provided that he / she:

- a. has been on the roll of the university during during that semester
- b. has register himself herself for the courses of studies
- c. has attended not less than 75% of the classes in theory and practical/laboratory of each courses provided that the period of absence in the case of participation in co curricular sports activities with the permission of the competent authority concerned may not be counted.

## 5. Comprehensive Examination

- i. All answer-books received from the Examiners after marking, shall be checked and tabulated in the office of the Controller of Examinations. The result of a particular examination will be notified by the Controller of Examinations.
- ii. After receiving the answer books, if a discrepancy of numerical nature in the marking of the scripts comes to the notice of the Controller of Examinations, he shall take action to get it rectified.
- iii. In case the result of a particular candidate or candidates be wrongly declared, and mistake is of serious nature the Vice-Chancellor shall issue orders that the mistake be rectified in a manner which appears to him to be just and proper.
- iv. The Vice-Chancellor may order with-holding the result of a particular candidate or candidates, if it is considered necessary in the interest of the University to do so.
- v. Each successful candidate at a degree examination shall be conferred the degree free of cost at the subsequent Convocation held for the purpose. These degrees shall be signed by the Controller of Examinations, Vice-Chancellor and the Chancellor.
- vi. The candidates who are not able to present/register themselves at the Convocation shall be granted the degree in absentia on request and payment of the prescribed fees.
- vii. After the notification of the result, each successful candidate at a non degree examination shall receive a certificate of passing the examination in the prescribed form signed by the Controller of Examinations and the Vice Chancellor on payment of prescribed fee.
- viii. The Controller of Examinations shall issue degree/diploma/provisional certificate and final transcripts (detailed marks certificates) on prescribed forms to the successful candidates, on request and payment of prescribed fee and on production of proof of his University clearance and identity.

# STUDENT'S SCHOLARSHIP

Gujrat institute of management sciences (GIMS) has revised various scholarship schemes from Fall-2018 to onward (only for few students) till further approval from BOG. The scholarship schemes have been classified onto two major categories:

## Category A:

This category includes scholarships available at the time of admission.

1. Merit Based Scholarship
2. Kinship Scheme
3. Teacher Son Scholarship

### 1. Merit Based Scholarship:

Merit scholarship will be awarded on basis of marks gained in last degree. The criteria are given below

Program of Study	Numbers Gained in Last Degree	Award of Scholarship (Tuition Fee)
For All Programs Offered at GIMS	75% and above	35%
	70% to 74.9%	25%

### 2. Kinship scheme:

20% Kinship Scholarship will be awarded to the 1st admitted sibling.

### 3. Teacher Son/Daughter:

Teacher Son/Daughter will be awarded to those students whose parents are Govt. Teacher and will be awarded 25% scholarship on tuition Fee.

### Note:

This policy rules apply for Fall-2024 admissions only and supersede all previous rules on the subject.

### Continuation of Scholarship:

- The award of Merit Scholarship is for the whole degree program.
- In the case of discipline or any other violation of the University/Institute/rules and regulations, the award of Merit scholarship shall be stand cancel

## FACILITIES:

### Library:

GIMS-ARID University has 4000+ books and has capacity to cater large groups in one go. Library has a hall and HEC E-Library with high speed 100MB dedicated internet for students. Students can access virtual library and study from vast material available in the library. And 4000+ books ranging from subject related to religion, literature, general information and more

### Computer Labs:
